

WHITE RIVER VALLEY LODGE AMENITIES

- * FREE use of Canoe, life vests and fishing gear during your stay! Launch the canoe directly from the backyard and float the beautiful White River. Easy, hassle-free and on your schedule.
- * Fish for TROUT, WALLEYE and BASS from the backyard! The lodge is only steps away from the White River bank. Fishing gear and fish cleaning station is available too.
- * Enjoy an outdoor FIRE PIT overlooking the White River for coffee, s'mores or cocktails by the fire
- * Small ORGANIC FARM on site with seasonal herbs, fruits & vegetables available to guests

The lodge is a separate, private unit next to our home on our 1.5 acre lot on the White River Valley. (See picture of Aerial Map in Photos). It has a separate private entrance and a dedicated guest parking spot. It is on the second floor for a better view of the White River, with the first floor empty. We give you as much privacy as possible during your stay but we are available should you need anything or have any questions.
